

With more than 142 years caring for animals in Guernsey, the GSPCA is growing to meet the demands of the modern world with enthusiasm, optimism and energy. The role now, as in the early days of preventing cruelty & promoting kindness to animals, through education, is as strong as ever. So much is achieved through qualified & dedicated staff, our own welfare officers, friends and supporters throughout the island.

If you become an Angel Pen Pal Sponsor you will receive a quarterly newsletter, car sticker, certificate, membership for those donating more than £10 per year, a plaque & also be part of an organisation that helps animals in Guernsey.

Without your support, donations and legacies we wouldn't be able to help 1000's of animals every year.

Spot the kitten was found very young, feral, full of worms, fleas and no mother in sight. After care and attention Spot is now called Minion and living in a new and loving home.

This is Adele the Grebe who was found covered in oil and without your support the GSPCA wouldn't be here to help care for the 1000's of wild animals and birds we have brought into the Shelter that are found sick and injured every year.

Topsy the hedgehog is one of the many hedgehogs brought in injured from garden machinery. Topsy was thankfully very lucky and was released after two months of treatment.

Sherbert is one of many dogs that found her way into the Shelter. After an assessment and short stay at the GSPCA she is now living a wonderful life.

Eden and Trinity were 2 grey seal pups that were found on our coast close to death. We rescued, rehabilitated and after 3 months of intensive care were released off of Jethou.

Deborah Kerr the kingfisher was found in Guernsey and if she hadn't been rescued and placed in an intensive care unit she would not have made it back to the wild where she belongs.

Each year at the GSPCA we rescue, rehome, rehabilitate wildlife, investigate cruelty calls and reunite over 3000 animals.

On average it costs £17 a day to care for a dog, £13 for a cat, £7 for a rabbit or ferret as well as our hedgehogs and other wildlife at the Shelter.

As well as their daily care we need to neuter, deflea, worm, feed, microchip, medicate, vaccinate, treat & see to other needs of the many animals in our care.

Many of the animals arrive at the GSPCA sick or badly injured and we really need your support.

From as little as £2 a month you can help us help animals in Guernsey.
