Our chief concern at the GSPCA is that the dogs should go to permanent homes where they will be happy and well cared for, for the rest of their lives. All the dogs are here because their owners couldn't, or more often wouldn't, care for them. Our first duty is to the dog and we hope to match each dog to a suitable owner. This is why we require all prospective owners to answer the following questions and give us as much information as possible.

**Please note:**

**The dogs are the property of the GSPCA and are rehomed at our discretion. The GSPCA can refuse to rehome a dog without giving a reason and cannot accept responsibility for the temperament or behaviour of any dog after rehoming.**
