

GSPCA Dog Training

The Graduate Class

KIND * FAIR * EFFECTIVE * TRAINING

We would like to invite you to the next step of your dogs training - our Graduate Class.

This 6 week course will teach you how to continue improving your dogs training, enhance communication between you and your dog, and refine your training skills – all still “Hands Off”.

Cheeky puppies to challenging adolescent dogs to golden oldies catered for! Training requests taken, see below.

As with your puppy / beginner class:

- Please bring a **hungry** dog to class as we will be using food to motivate your dog to work.
- Please also bring **plenty of food to train** with, ideally something **high value, soft, tasty and the size of a Smartie** - so it is quick and easy for your dog to eat, e.g. hot dogs, sausages, liver cake, fish cake, cheese.
- Please bring your dog to class wearing an ordinary flat lead and collar, harnesses and headcollars are allowed; but no extending leads or chain leads as they are difficult to hold whilst training.
- We use fun and motivation to train, not PAIN! So **please, no choke chains, prong collars, half check collars, slip leads or electric shock collars.**

Essential Information!

As for your previous course the first session will include an introductory talk. This should only last about 15 minutes so for this period please leave your dog in your car.

PLEASE RETURN THIS FORM WITH YOUR COURSE FEE OF £70- YOUR PLACE WILL BE CONFIRMED ON RECEIPT OF PAYMENT. We accept Credit cards, cash and cheque; please make cheques payable to The GSPCA, and send to The GSPCA, Les Fier Mouton, St Andrew, GY6 8UD
