CARING FOR ANIMALS
IN GUERNSEY FOR
OVER 140 YEARS

Cattery & Quarantine
Build Appeal Page 2

Animal Welfare Seafront Sunday 15th September

On September 15th the second Animal Welfare Seafront Sunday will take place.

Last year the day was hailed as a great success and we raised over £10,000's.

There are many ways to help or even take part.

Many of the fun events that were held last year including the Giant Animal Mascot Race, Fun Dog Show, Photo Picture Show of Pets, Live Music Stage, Kids Fancy Dress, over 40 stalls, Tombola, Pet stall, Games and much more will be featured once again..

We still have Giant Animal Suits to fill and for only a minimum sponsorship of £50 you can get involved too.

Many local businesses have signed up but we would love to fill every suit which can all be seen inside

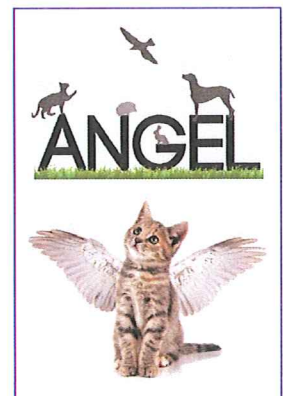

this issue of our latest newsletter.

We are appealing for volunteers to help on the day and if you can help please call Steve Byrne at the Shelter on 01481 257261 or email stevejbyrne@gspca.org.gg.

Cattery & Quarantine Build Appeal

As mentioned in our last Newsletter we have been helping cats in Guernsey since 1873 and now the cats need your help.

Whether they are sick animals, strays or cruelty complaints, cats that need care and love arrive at the GSPCA Animal Shelter every day.

Sadly, the existing cattery now has a number of issues as it is over 35 years old. We need your support to build a cattery that will enable us to help the thousands of cats that come through our door every year.

The new cattery and quarantine unit will cost approximately £1.3 million to build so please help the build appeal.

Some Happy Cat Stories

This is a picture of Pickles a cat who would have died of Skin Cancer had he not found his way to the GSPCA. The picture shows him off to his new forever home.

This little kitten is called Sandy. Sandy was rescued after falling from the Harbour wall next to Herm Kiosk by a member of staff.

This is Tiger a young kitten that was found out at Icart Point extremely thin, full of fleas and only just old enough to

eat solid food. In just one week Tiger had doubled his weight.

Without your support, donations and legacies, we wouldn't be able to help thousands of animals every year and to build this much needed facility..

Thank you to Intertrust and the 28 staff who helped out at the GSPCA in August

Seasonal Advice - Summer Pet Advice

Many of us love to enjoy the sunny warm weather but we are urging pet owners to be mindful of their animals.

Don't leave your dog alone in a car.

If it's very warm outside and you're going out in the car, think very carefully about what you are going to do with your dog. You should never leave a dog alone in a car.

It can get unbearably hot in a car on a sunny day, even when it's not that warm. In fact, when it's 22°C/72°F outside like it will be today, the temperature inside a car can soar to 47°C/117°F within 60 minutes.

Unlike humans, dogs pant to help keep themselves cool. In a hot stuffy car, dogs can't cool down – leaving a window open or a sunshield on your windscreen won't keep your car cool enough. Dogs die in hot cars.

Even with current legislation in Guernsey if it can be proven that your dog is suffering you can face prosecution.

You would also have to live with the fact that your thoughtless action resulted in terrible suffering for your pet.

If you see a dog in a car on a warm day please call the GSPCA on 01481 257261.

'If you are concerned about any animal and you can't find the owner we would urge you to give the GSPCA a call on 01481 257261.'

Heatstroke - early warning signs

Heatstroke can be fatal. Do everything you can to prevent it.

Some dogs are more prone to heatstroke. For example, dogs with short snouts, fatter or heavily muscled dogs and long-haired breeds, as well as very old or very young dogs. Dogs with certain diseases are more prone to heatstroke, as are dogs on certain medication.

If dogs are unable to reduce their body temperature, they will develop heat-

stroke. There are some signs to look for:

- heavy panting
- profuse salivation
- a rapid pulse
- very red gums/tongue
- lethargy
- lack of coordination
- reluctance or inability to rise after collapsing
- vomiting
- diarrhoea
- loss of consciousness in extreme circumstances.

Heatstroke - first aid

If your dog shows any symptoms of heatstroke, move him/her to a shaded, cool area and ring your vet for advice immediately. Heatstroke can be fatal and should always be treated as an emergency.

Dogs suffering from heatstroke urgently need to have their body temperature gradually lowered: Immediately douse your dog with cool (not cold) water, to avoid shock – you could put your dog in a shower and run cool water over him/her, or use a spray filled with cool water and place your dog in the breeze of a fan.

Let your dog drink small amounts of cool water.

Continue to douse your dog with cool water until his/her breathing starts to settle – never cool your dog so much that he/she begins to shiver.

Once you have cooled your dog down you should take him/her straight to the veterinary surgery.

Top tips for warm weather

Your dog should always be able to move into a cooler, ventilated environment if he/she is feeling hot.

Never leave your dog alone in a car. If

you want to take your dog with you on a car journey, make sure that your destination is dog-friendly – you won't be able to leave your dog in the car and you don't want your day out to be ruined!

If you have to leave your dog outside, you must provide a cool shady spot where he/she can escape from the sun at all times of the day. Please remember that shade cover can move during the day.

Make sure your dog always has a good supply of drinking water, in a weighted bowl that can't be knocked over. Carry water with you on hot days and give your dog frequent small amounts.

Never leave your dog in a glass conservatory or a caravan. Even if it is cloudy when you leave, the sun may come out later in the day and make it unbearably hot.

Groom your dog regularly to get rid of excess hair. Give long-coated breeds a haircut at the start of the summer, and later in the season, if necessary.

Dogs need exercise - even when it is hot. Walk your dog early in the morning or later in the evening. Never allow your dog to exercise excessively in hot weather.

Dogs can get sunburned too – particularly those with light-coloured noses or light-coloured fur on their ears. Ask your vet for advice on pet-safe sunscreen.

Make an ice lolly or ice cream dog treat for your dogs to crunch and chew to cool down.

Please be mindful of the other pets in your care and where you keep them and ensure they don't get trapped in places such as greenhouses and conservatories.

By following this advice we at the GSPCA hope you and your pets enjoy the sunny weather.

World Animal Day 4th October

On the 4th October which is World Animal Day please pop down to Market Square in St Peter Port to see the GSPCA with a small display of the work we carry out and some of the animals from the Shelter.

You may remember this lovely Husky who had an operation to remove a cancerous lump.

He is now in a new home and settled very well and the best of all is we get to see him often which is great as all the team are very fond of him.

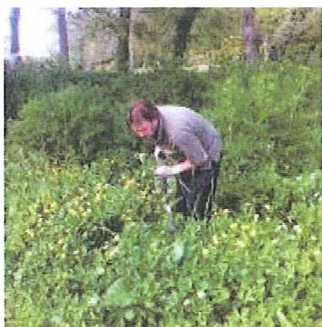

Please sponsor Geoff George who's running the Guernsey Marathon

Geoff George one of the longest serving staff members will next month run the Guernsey Marathon for the GSPCA.

Geoff is the GSPCA Animal Collection Officer and works around the clock to help rescue and care for animals in Guernsey. His main passion are the Grey Seals and many will remember Jethou Bumblebee and Hanois two which were rescued, cared for and released by the Shelter earlier this year.

It was Geoff's dedication, hard work and around the clock care that meant these two beautiful creatures

had the chance to be saved and released back to the wild.

Geoff loves his job and cares for the Shelter and he is always trying to help in any way he can and this year he has decided to brave the Guernsey Marathon to raise funds for the Shelter and is currently training for the 26 and 385 yards or 42.195km which takes place on the 22nd September.

Geoff George ACO said 'I've been training for weeks and watching my diet to ensure I'll be able to make it round the Guernsey Marathon in a good time.'

'We make a difference every day at the GSPCA

helping rescue and care for animals in Guernsey and I am hoping to raise as much as I can to help the wonderful work that we do.'

'It was fantastic helping the two seals earlier this year but there are many more to care for and we really need to rebuild many of the facilities at the Shelter such as the Cattery and Quarantine Build and the Seal facilities so every bit makes a huge difference.'

If you would like to sponsor Geoff then you can do say by calling 01481 257261, pop into the Shelter in St Andrews, by post or click on the Paypal link on our website and reference 'Geoffs Marathon'

Sidney's Reservoir Dog Sponsored Walk Sunday 22nd

On Sunday 22nd September Sidney's Sponsored Events and the GSPCA are arranging a Sponsored Walk. Meeting in Reservoir Rue Des Annevilles Car Park at 10am and finishing in Reservoir Rue A L'OR Car Park the walk around the Reservoir will have a Reservoir theme and we'd love to see you and your dog(s) all kitted out to make for a fun Sunday morning.

Don't worry if you or your dog don't want to dress up to be involved in raising funds for local animals is what it is all about.

To download a sponsorship form and poster either visit our website or pop into the Shelter.

Who is Sidney?

Sidney is a rescue dog from the UK that didn't have the best start in life and found himself in the hands of a RSPCA rescue (Woodland Farm Kennels).

He now lives in Guernsey and loves to arrange fund raisers to help local rescue animals and the work of the GSPCA.

A very friendly lad Sidney is asking you to get involved and hopes to meet you on Sunday 22nd September.

Sidney has already arranged a number of fund raisers and he is looking for-

ward to arranging the Masquerade Ball for the GSPCA in November.

For further details on this event you can contact Sidney's PA Corinne by email - corinneconnolly@cwgsy.net or phone 07911-720469 or 266469 (answerphone) By getting involved you will be helping dogs like Nouska the Husky who recently had a cancerous lump removed and Tiger the ginger kitten who was found thin and all alone out at Icart Point. Itex Walk 2013

430am Saturday morning 3 staff and one volunteer were queuing outside the White Hart as the sun rose to start the 38.5mile Itex Walk around Guernsey.

The GSPCA team were made up of Steve Byrne GSPCA Manager, Geoff George Animal Collection Officer, Tony Gallie Animal Care Assistant and Natalie Randall Volunteer Warden.

With over 500 walkers taking part, the sun shining, the wind blowing and a long way to go the team set off south towards the cliffs just after 5am.

With so many taking part, the start was very much a long line of walkers going around the cliff paths and despite the early hours

everyone was friendly, happy and chatty.

After a lot of ups, downs and many steps there was a breakfast laid on at the first checkpoint at the Gourffe which the whole team enjoyed.

The team then battled the second section of the cliffs and enjoyed many of the stunning views.

All four did extremely well and despite a huge effort sadly at 34 miles Natalie had to call it a day just after Beaucette Marina.

After 15 hours of walking Tony, Geoff and Steve completed the walk which after a few wrong turns completed well over 40 miles of walking and enjoyed some lovely scenes.

Steve Byrne said 'What a fantastic day, despite a bit of sun burn and blisters between us we all really enjoyed the walk on Saturday.'

'Natalie did really, really well and how many people manage to walk over 34 miles in one day?'

'The organisers and volunteers from the Itex Walk were fantastic and we all appreciated the encouragement and all the supplies keeping us going.'

'We are still collecting our sponsorship and will be handing it in to help all the worthy causes which include the GSPCA which we are very grateful for.'

'Thank you to everyone that that has sponsored us and especially to all involved with the Itex Walk it really was a great day.'

Summer Shows, Flag Day & Events

The Summer has proved extremely busy for the team at the GSPCA as for the second year we have attended many of the local events to promote the work of the Animal Shelter and help to raise funds and awareness so that we can continue the 24 hour 7 day a week work that goes on every day helping care for the animals in Guernsey.

A huge thank you must go

to all of the volunteers that have helped with the many events and of course to the organisers who hold these great family fun days.

A huge thank you must go to all of the volunteers and supporters that helped with our annual Flag Day during August and although the Newsletter has gone to print before the grand total it certainly looks like we raised in excess of £2,500.

Labradog Day

A huge thank you to Cherry Dewey, the Bon Port Hotel, Four Legged Physio, all the volunteers that helped, those that donated prizes, Island Dog Training, and of course all the owners and nearly 70 Labradors who turned out for the Labradog Day which was great fun and raised over £330.

Summer Fayre & Dog Show at Fairfields

Sunday 2nd June was the GSPCA Summer Fayre and Fun Dog Show at Fairfields.

With over 200 dogs, over a 1000 visitors and a very sunny day a fantastic time was had with a lot of fun and some stunning dogs.

The GSPCA would like to thank all the volunteers and helpers as well as all those that supported the Dog Show which was all about celebrating the dogs of Guernsey.

There were stalls and games as well as plenty of refreshments and a BBQ which was ideal for such a sunny day.

Also many of the owners and some of the dogs enjoyed an ice cream or two.

Steve Byrne GSPCA Manager said 'We couldn't have asked for better weather and Fairfields is such a beautiful sight for a Summer Fayre.'

'It was fantastic to see so many happy people and so many wonderful dogs.'

'We really want to thank everyone that supported and helped as we raised £50 short of £2000.'

'Don't worry if you missed the dog show though as we will have another at our Animal Welfare Seafront Sunday so mark the 15th in your diary.'

'A huge thanks to all the dogs and owners they are all winners in our eyes.'

The winner pictured of the Best in Show was Rachel Marwick with her

dog Millie the Cocker Spaniel and was the judges favourite. Millie will hold the Jones & Partners Ltd sponsored trophy for 2013.

The judge this year was Bernard the GSPCA Mascot who is also in the picture with one of the stewards, Animal Care Assistant and Dog Trainer at the Shelter Sheryl Carre.

A special award sponsored by Peter Campbell Kitchens was also given to a young handler who showed great compassion for his dog which was wonderful to see and his name is Adam with his dog Woody.

Once again thank you to everyone involved.

Thank you to KPMG and the 16 staff who helped out at the GSPCA and North Show in August

Talk by Roy Cochrane—Guernsey Moments

Insurance Corporation

The GSPCA are overwhelmed by the success of the Car Boot Sale that was organised and run by the staff at Insurance Corporation.

The team from Insurance Corporation decided that as part of their Corporate Social Responsibility they would like to help organise an event and raise funds for a cause close their hearts.

The day raised an unbelievable £1110 and the GSPCA want to thank everyone involved and supported the event and we know it will go towards helping animals in Guernsey.

Roy Cochrane recently held a talk and slide show at Les Cotils and raised nearly £200 for the Shelter.

Afternoon tea and cakes were enjoyed as well as a raffle.

Yvonne Chauvel Senior Animal Care Assistant popped in to say 'Hi' and to thank Roy and those attending for choosing the GSPCA to donate the proceeds.

ANGEL - Animals Needing Guernsey's Everlasting Love

Towards the end of 2012, the GSPCA launched a sponsorship scheme - the ANGEL Scheme - that will enable people to sponsor an animal pen or kennel at the GSPCA Animal Shelter.

It costs around £2,000 per day to run the Animal Shelter and it is hoped that this scheme will enable us to provide the very best care for the thousands of rescued animals and birds we receive every year.

What is the ANGEL Scheme?

The scheme has been designed to enable individuals, families, friends and

organisations to sponsor individual pet accommodation at the shelter. The sponsorship can be for a dog kennel, a cat pen, or any other animal/bird pen.

How Much Can I Donate?

The scheme is flexible and easy to join; you simply choose the kind of animal accommodation you wish to sponsor and determine the payment method. We will do the rest.

You can pay with either a single donation or by setting up a monthly standing order, spending as much or as little as you can afford.

For monthly donors, we will reward your kindness by:

- displaying your name on a brass plaque at the GSPCA;
- listing your name on our website as a sponsor;
- sending you an ANGEL car sticker;

- sending you a newsletter.

Can I Make a Gift of My Sponsorship?

Absolutely. Sponsoring one of our residents through the ANGEL scheme can make an excellent gift. Simply tell us who the gift is for when completing the sponsorship form (online or at the Animal Shelter).

Where is My Donation Spent?

Your donation goes directly towards helping the animals in the care of the GSPCA.

If you are stuck for a gift idea, sponsoring an animal pen would make a wonderful present for a loved one.

Update on Jethou Bumblebee & Hanois

We are pleased to announce that the Grey Seal Pups Hanois and Jethou Bumblebee that were rescued and released by the Shelter have been spotted on two separate occasions playing in a bay where they were released in Jethou.

There is a healthy population of Grey Seal Pups in the Bailiwick and there are boat trips to go and see them.

Charity Shop

We are still looking for a premises to open a Charity Shop. It costs over £600,000 a year to run the GSPCA and we are always looking at new ways to help raise funds for the Shelter.

If you can help please contact the GSPCA Manager Steve Byrne on 01481 257261 or email - stevejbyrne@gspca.org.gg

Gert the GSPCA Duck

Quack, quack, Gert here again, well what a busy Summer it's been down on the GSPCA pond. They've had so many animals brought in and rescued at the GSPCA.

We've had a few duckling born on site and the sunny weather has meant a lot of

cooling down in the pond.

Anyway here are some Quacktastic jokes for you to enjoy -Q:

Q: What did Detective Duck say to his partner?

A: "Let's quack this case!"

Q: What did the duck say when he dropped the dishes?

A: "I hope I didn't quack any!"

Q: Where did the duck go when he was sick?

A: To the ducktor!

You can see many of my quacks on my twitter feed which you can follow me on at [@Gert_GSPCA_duck](https://twitter.com/Gert_GSPCA_duck)

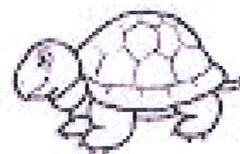

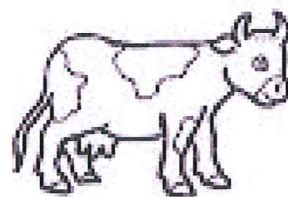

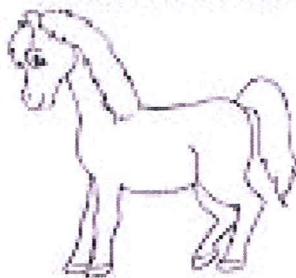

If you would like to tell me your stories about ducks and other animals, or even send pictures to the shelter, I have my own e-mail address, which is gert@gspca.org.gg
