

## **Build a Hedgehog House Competition**

**Design and build a hedgehog house to be used in your own or friends garden!**

**There are two age group categories:**  
**7 to 11 years (Junior age)**  
**11 to 16 years (secondary age)**

**The top three from each group will be contacted to be judged and there are **PRIZES** for the top 3 designs in each group!**

**The house structure must be:**

- Waterproof
- Big enough to make a nest
- Safe from predators
- Camouflaged

**What could you use to build the house?**

- Logs
- Old plastic box
- Bricks
- Wood
- Pots
- Anything else - Be as creative as you like!

**Try the internet and our website for more inspiration!**
