

Create a GSPCA Awareness Poster for Hedgehogs

Age groups –
4 – 7 years old (infants)
7 – 11 years old (juniors)

Some ideas could include:

- Watch out for hedgehogs on the road waking up from hibernation
- Hedgehogs out in the daytimes could mean there is something wrong
- Please put out clean drinking water for hedgehogs over the summer
- Check for hedgehogs before cutting the lawn/grass
- Discard of rubbish properly - especially netting/wires
- Make sure your swimming pool/pond is easily escapable
- Do not put slug pellets down as they are poisonous
- Don't touch a nest until sure you need to intervene
- Cut holes in fence bottoms to allow hedgehogs to pass through gardens
- Watch your dogs around hedgehogs- either one could get hurt
