

## How We Help

After more than 145 years of caring for animals in Guernsey, our objectives remain the same: to prevent cruelty and promote kindness to animals through education.

Every year, we rescue, rehabilitate, hand rear, help and care for thousands of wild animals. In 2018;

500 **hedgehogs**

150 **rabbits**

100 **seagulls**

200 **ducks**

30 **birds of prey**

1 **kingfisher**

20 **oiled seabirds**

1,200 **other birds**

These animals came to us for a variety of reasons.

👤 **orphaned**

🚗 **oil slicks**

🗑️ **litter**

🌲 **hedge cutting**

🚗 **predator attacks**

🚗 **cars**

🍖 **lack of food**

⚡ **extreme weather**

**Thank you very much for your support**

Every year, at the GSPCA, we **rehabilitate, rescue, hand rear, help and care** for **over 2,000** wild animals.

Many of these animals arrive **sick** or **badly injured**. They need **weeks** or **months** of care.

With **many** of our existing buildings being **over 70 years old**, we are finding it **increasingly difficult** to adapt and maintain what we currently have.

Please, we **need** your **help** to build a new Wildlife Hospital.
