

## **REWARD OFFERED FOR INFORMATION LEADING TO THE RETURN OF FOUR MISSING PUGS.**

**A reward has been offered for information leading to the return of 4 pugs that have been missing from the Valnord Hill area of St Peter Port since 29 March 2021.**

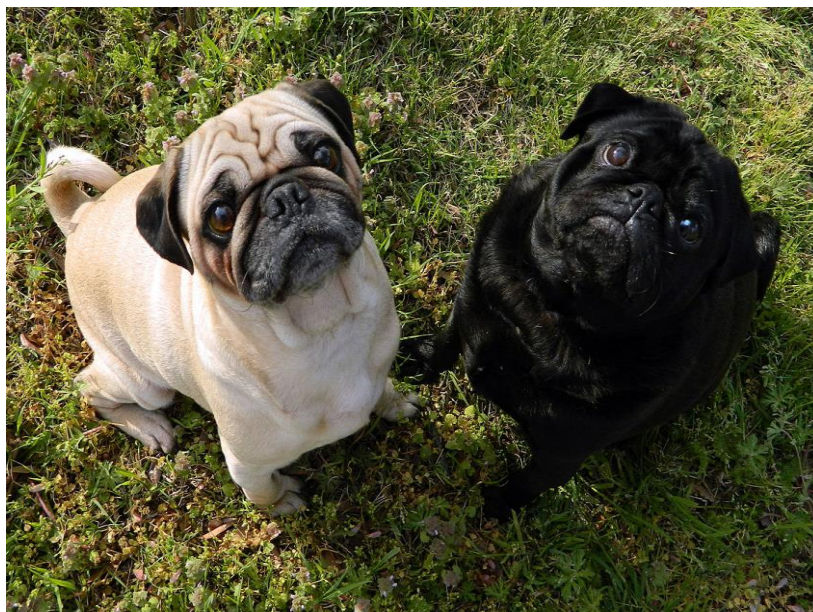

**Three of the dogs are beige and one is black. One dog is very distinctive as due to a birth defect it only has half an ear on one side. At the time of disappearing one of the beige pugs was heavily pregnant and due to give birth any day.**

**Do your neighbours suddenly have more dogs than usual, or do they have a new pug. Have you been offered a pug puppy in the last 2 months Have you heard an increase in dogs barking?**

**If you have seen or heard anything suspicious or out of the ordinary, however small, please call the GSPCA on 257261.**

**It is believed that these dogs are still on the Island.**

**You may be eligible for a reward for information leading to the whereabouts and recovery of the pugs.**

**Please note that this photo is only a likeness of the missing pugs**
